

November 2020

In case you missed it, our Union County Commissioners proclaimed September 28th "Good Neighbor Day" here in Union County. The proclamation urged all residents to support, participate in, and share the good work accomplished by Union County Neighbor to Neighbor. THANK YOU to each of you, for being our "neighbors!"

This November, we are THANKFUL for Neighbors who help Neighbors!

From November 2nd through the 20th, members and volunteers can refer friends or family to UCN2N. The referral offers a new member a free 6 month trial (\$90 value). If the member decides to continue, they will pay the regular rate for the second half of the year. If the referral is successful (new member signs up), the member who referred the new person receives 6 months free (\$90 value) as well. The current member will receive the discount membership at their renewal date.

Please note, the discount is ONLY for referrals. As people call in with interest, our Service Coordinator will determine this by asking if a member or volunteer referred them. This campaign is specifically for our neighbors to share their experience with their friends and family.

Regular membership limitations apply and new members must complete a home visit. The home visit does not have to be in the three week timeframe, but the referral must be made from Nov 2nd-20th for the individual to receive the discounted membership.

Volunteers who make a successful referral (member signs up) will receive a \$25 gift card via mail.
